Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

My 2 yr old loves this book. I like that it has photos of real children rather than drawings. Each page presents one idea in a clear and simple manner. We can play along as we read the book, pointing to our own ears and noses. A favorite in our house!

My daughter absolutely loves this book and reads it on her own and points to her own body parts.

Going to get the other rookie toddler books
