Average Customer Review: 5.0 out of 5 starsÂ See all reviewsÂ (1 customer review)

Best Sellers Rank: #610,646 in Books (See Top 100 in Books) #151 inÂ Books > Business & Money > Taxation > Personal #3487 inÂ Books > Business & Money > Accounting

Customer Reviews

First things first, this book is full of so much useful information; I had no idea that situations with the IRS could become out of control (even more so than I originally thought). But what really stands out about this book is how it's written. It's like a close friend sitting you down, helping you realize there is a problem, and giving you the advice and the confidence to face your fears. I can't tell you how comforting that feels and how much pressure lifts off your chest as you read through. It flows so well between chapters, and the actual situations Mr. Bridges has encountered, though horrendous, show that even the worst situations have the potential for a good outcome. I highly recommend this to anyone, whether you have an issue or you just want to have more knowledge.
