Customer Reviews

My 8 y.o. son bought this for his Kindle and read it. He enjoyed it but complained how short it was. I was curious and read it myself. It is short. NOT 57 pages, as stated in the product description. I finished it in less than ten minutes. Even worse, it is not a complete story. It leaves you to buy the next book where maybe a third chapter should begin. Save your money or just get it free from the lending library.

My 9 year old son loves minecraft and diary of a wimpy kid so this series is absolutely perfect for him. He says it's funny and cool. Slowly collecting the series for him and he couldn't be more stoked.

Love this book hope every one that is 12 and under could read it or have read to them. Book has lots of jokes and character that has bad luck 90 percent of the time. He always list good new and bad new. Tells how he gets stuck in minecraft and his life. Also at end of book for minecraft player can play on his seed.
