Customer Reviews

I think this book would be good for all kids. Has lots of joke. (if course mine craft jokes I love this book and hope everyone can read it. Has fun character to tell story that doesn't have very good luck, and always list good new good news again, and bad news.

This book is the best I love it. He really is a wimp when it comes to food and crafting, and Enchantment tables, and secret doors, and Minecraft dogs. This book is funny action-packed and I loved reading it and I hope you will too! (:

I love this book it makes me laugh so hard please keep writting these books :) ;)P.S. MY NAME: Adrienne B. ;)I would LOVE if you put my name in one of the books its like a mini dream that I got - Adrienne B.

I chose this book because I have read other books in this series and I really liked this one. This is the third book in the wimpy Steve series so I really liked so check it out. The things I liked in this book were 1. In the beginning of the book he was like AAAAAAAHHHH!!!! 2. I liked the name of the dog which not to spoil it, was the name of a famous magician. 3. He kept getting into ironic situations.

I am writing this review for my 11 year old son, who loves these books. He thought this book was very funny and entertaining. He looks forward to every time a new book is released. He was very insistent to rate this book at 5 stars.

This book is awesome, I read the first and secont book nd there cool I probably will give thoes five stars too but this one was the coolest one of all. Read the firt & second books or else it wont make sence. I cant weight tell book four, this author is awesome!

My 7yr old grandson really likes this series. We have been reading a book each day. He plays

Minecraft, so he recognized many of the things in the book.

This is one of the best book I ever read. IF YOU read this book you may love it. I'd get reading!
