Customer Reviews

this book looks good but inside it its not fantastic. what they need is alot of villagers in these minecraft seens. these thing are very interesting without villagers you know. need to alot of helpful reviews

In the spirit of cow puns, this book was "udderly" amazing. Books Kid (formerly known as Diary Wimpy) delivers an entertaining mystery book. This book is about a mooshroom named Molly who wants to become a famous detective. It's no surprise that at some point during this book she gets a

chance to prove herself, but with detective work crazy things can happen and a lot of times things don't go as you plan. Expect the unexpected is all I have to say. I highly recommend this book.

Interesting, realistic-within-its-storyline, and a very intriguing plot and characters. The plot has many twists, the characters change in bits and pieces and altogether it's a great story

people how made this book thank you very much .you made a awesome book .I'm happy to read your book .thank you make more
