Customer Reviews

I purchased this CD for my two older children (9 and 11), not sure how well it would go over. We listened to it for the first time in the car on a long trip. It was quite a giggle for everyone! We loved the comic points in the Canterville Ghost story, especially. Mr. Weiss's rendition of one of the characters had my husband and I in stitches - sounding just like Carol Channing. I have since purchased 6 other Jim Weiss story CD's and my Girl Scouts have begun to request them when going on trips with the troop. You won't be disappointed.

I am a children's librarian that loves scary stories and we have this CD at the library where I work. I listened to the stories and loved each one!! I learned new stories and felt the thrill of them as I listened to each one. Highly recommended.

I'm a novice storyteller, and I was looking forward to finally hearing the renowned Jim Weiss, especially sharing spooky tales. He does an adequate job voicing the different characters, but I was disappointed at the lack of humor displayed at what could have been comical events. I now know these stories well enough to tell them better myself!
