Because He Loves Me: How Christ Transforms Our Daily Life

Synopsis

God's love has the power to change lives. Christians, then, should exhibit the greatest transformation of all because, rightly understood and cherished, God's love makes them increasingly more like the One who has lavished his love on them. So why do we so often struggle to exhibit God's love? Biblical counselor Elyse M. Fitzpatrick asks one simple question: "In your pursuit of godliness, have you left Jesus behind?" • We need to be rescued from our "identity amnesia" • and pointed to our true identity as God's beloved children "adopted by the Father, united with the Son, and empowered by the Holy Spirit. Fitzpatrick shows how a genuine transformation of identity leads to a transformation of our daily lives. Those who struggle with either legalism or lawlessness will find encouragement to return to God's love, the source of authentic and lasting change.

In her latest book, *Because He Loves Me*, Elyse Fitzpatrick asks an interesting question: In your pursuit of godliness, have you left Jesus behind? You may be wondering, how is that possible? Do you remember the biblical account of Mary and Joseph's return to Nazareth following their celebration of Passover in Jerusalem? After a day's journey, they realized that Jesus was not with them. They hurried back to the city and found him in the temple, speaking with the teachers. Fitzpatrick uses this story to illustrate what many Christians do in their relationships with Jesus. "By definition, we Christians joyously celebrate our Passover Lamb, our salvation with Jesus, but then, like his parents, we eagerly head on back to Nazareth, back to living out our beliefs without a

conscious awareness or acknowledgment of his presence. Of course, we assume that he is somewhere nearby. We haven't felt his absence because we're so preoccupied with living life for him" She goes on to clarify, "What I am saying is that once we've been saved, once we've understood and accepted the message of the gospel, the person and work of the Redeemer becomes secondary to what we're focused on -- living the Christian life." Because He Loves Me is written for the Christian who thinks the gospel is just for "getting saved," who knows he is supposed to be different, but isn't seeing the transformation he expected, or who wonders about the difference Jesus is supposed to make in his daily life. Fitzpatrick teaches Christians how the gospel is central to everything. The book is divided into two parts: How God's Love Transforms Our Identity and How God's Love Transforms Our Life. In the first section, Fitzpatrick does something very interesting.
