The Resolution For Women

Synopsis

From bestselling author Priscilla Shirer, in partnership with the creators of The Love Dare, comes a resolution that challenges you to realign your daily decisions in a way that glorifies God and fulfills who He created you to be. Layered with biblical truth and seasoned with encouragement, The Resolution for Women will inspire the woman you see in the mirror to trust God's perfect plan for her life, resolving to become purposefully feminine, surprisingly satisfied, and faithfully His.

Customer Reviews

After reading the "Resolution for Men," I keep thinking if there is also an equivalent set of challenges for the female folks as well. This book fills in the gap. Amazingly, it is indeed an excellent companion. If husbands read the men's resolutions, it will be especially helpful if wives read this book at the same time. There are some similarities with the men's version. Firstly, there is a one-page resolution specifically for women, albeit with 13 resolutions compared with 12 for the men's version. This does not mean the ladies do more. It is simply the author's way of making her points clearer with regards to what the women of God can resolve to do. Secondly, both books are companion volumes to the COURAGEOUS movie (Sherwood Pictures) and COURAGEOUS LIVING book (Michael Catt). Thirdly, both books are attempts to raise the bar for self. The best way to challenge oneself is to keep the bar high enough to motivate us to be excellent people. Finally, just like 'Resolutions for Men,' each chapter ends with a specific challenge. Theory must be put into practice. Unlike the men's version, Shirer is a little more delicate in the motivational aspect. The Men's version has a lot more of recognizing the call for men, and the need for men to respond to

this call. It is somewhat a more direct, goal-getter, target setting style. The Women's version goes a little deeper in terms of being more indirect, more explanatory, and more questions for personal reflection. The Men's version has relatively more imperative challenges, and a proactive approach to working out the challenges. The women's version has challenges too, but proceeds in a more contemplative manner. The Men's version has a greater amount of telling and showing one what to do.
