Pride And Prejudice Audiobook Cd Set

Synopsis

9 Audio CDs - 10 hours and 40 minutes. One of the most universally loved and admired English novels, *Pride and Prejudice*, is easily a favorite amongst the works of Jane Austen. Set in England in the early 19th century, *Pride and Prejudice* tells the story of Mr. and Mrs. Bennet's five unmarried daughters and the parents', especially the hovering, perpetually in a state of nerves mother's attempt to marry their daughters well. Very soon into the book the rich and eligible Mr. Bingley and his status-conscious friend, Mr. Darcy, have moved into their neighborhood. While Bingley takes an immediate liking to the eldest Bennet daughter, Jane, Darcy has difficulty adapting to local society and repeatedly clashes with the second-eldest Bennet daughter, Elizabeth, both of them suffering from their own forms of pride and prejudices. Darcy, against all his norms, difference in social standing, family wishes for him, etc., falls in love with her, only to be rejected when he proposes, due to her vast misjudgment of his true character. Our CDs are packaged in premium DVD cases with CD labeling printed right on the CD in full color. We do not use paper stick-on labels, these tend to peel off over time and can really jam up car CD players and computers. We chose to use DVD cases for our CD sets, as we have found they hold up better in shipping and in regular usage than the typical CD jewel case. Please note: All recordings we offer on CD are produced with recordings from Librivox, public domain works recorded by volunteers. We at St. Clare Audio would like to thank the volunteers for their gift of offering their work to the public domain. Also, being public domain works they are available for download at Librivox. St. Clare Audio's niche is providing them in ready-to-purchase CD sets, for those who cannot download, or have not the desire or time to do so, as well as the benefit of a nice case and professionally produced CDs.
