Reviews Of Herobrine Birth Of A Monster - "I must say that I am not a Herobrine minecraft fan, only because if had not had much experience with it. My son loves it and so I bought this book but after the first few pages, I couldn't put it down. I like the drama, it is well written, the story flows well, and it has changed my opinion of Minecraft. Well done. I also hope that there is a sequel and I can see why it is a bestseller." "This is just a cool read. My kid loves this novel." "Read quickly very exciting! Minecraft come to life! Would definitely recommend for Minecraft players and anyone else who enjoys a good adventure!" ## Customer Reviews

When I was on the last chapter of the third box set I kept thinking, "This BETTER not be the end of the series because they haven't even acomished their goal!" But when I saw the Portal Police I was like, "YES!! THERE IS MORE!!" I am really excited to read it!

It is a little hard to follow at first but after a few chapters you get it! Absolutly love it! And it gave me a new book to dive into! just for fun. :salute:
