Customer Reviews

The Phoenix Endangered (2008) is the second fantasy novel in *The Enduring Flame* series, following *The Phoenix Unchained*. In the previous volume, Tiercel Rolfort became the first High Mage since the Great Flowering. Harrier Gillian went with him to find a Wildmage to soothe or, at least, explain his terrible dreams of the Lake of Fire. After many adventures, Harrier found himself being chosen by the Wild Magic as the first Knight-Mage since Kellen the Poor Orphan Boy. In this novel, Harrier is rather irritated with Kareta. Since she had brought him the three books of Wild Magic, the unicorn had not stopped nagging him about reading them and about practicing the spells. Kareta is surely beautiful, but she is just so pushy. Harrier just doesn't really see himself as a Wildmage, much less as a Knight-Mage. Tiercel is happy in the bond with Ancaladar Star-Crowned and it does help with his magic. Ancaladar is so powerful that Tiercel can do just about any magic by drawing upon the dragon's resources. Ancaladar is also mentoring him in his studies. Their only

problem is the shortage of time. It takes decades of training to become a master mage and they probably only have a year or two. They are leaving the Elven Lands and will be crossing Pelashia's Veil in a few sennights. They stocked up on supplies and equipment in Karahelanderialigor and will pick up more supplies at Blackrowan Farm. After that they must find villages and towns to restock their supplies. In this story, they cross the Veil and the very next night Tiercel has another vision of the woman at the Lake of Fire.
