Century 21 Keyboarding, Formatting, And Document Processing

Synopsis

Students learn the skills needed to succeed in the workplace today and tomorrow using the proven, highly successful pattern of basic skill development characterized in prior editions. Three-volume format includes the Complete Course with 300 lessons, Book One with 150 lessons, and Book Two with 150 lessons. This edition introduces terminology, concepts, and functions of electronic equipment; continues instructions systematically throughout; and provides a number of activities using rough-draft and hand-written copy.
