Dark Witch (The Cousins O'Dwyer Trilogy)

Synopsis

From #1 New York Times bestselling author Nora Roberts comes a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love. With indifferent parents, Iona Sheehan grew up craving devotion and acceptance. From her maternal grandmother, she learned where to find both: a land of lush forests, dazzling lakes, and centuries-old legends. Ireland. County Mayo, to be exact. Where her ancestors' blood and magic have flowed through generations and where her destiny awaits. Iona arrives in Ireland with nothing but her Nan's directions, an unfailingly optimistic attitude, and an innate talent with horses. Not far from the luxurious castle where she is spending a week, she finds her cousins, Branna and Connor O'Dwyer. And since family is family, they invite her into their home and their lives. When Iona lands a job at the local stables, she meets the owner, Boyle McGrath. Cowboy, pirate, wild tribal horseman, he's three of her biggest fantasy weaknesses all in one big, bold package. Iona realizes that here she can make a home for herself and live her life as she wants, even if that means falling head over heels for Boyle. But nothing is as it seems. An ancient evil has wound its way around Iona's family tree and must be defeated. Family and friends will fight with each other and for each other to keep the promise of hope and love alive.

Customer Reviews

Well, fall is here, the leaves are changing and right on time, Nora Roberts gives us another engaging trilogy to curl up with. Dark Witch is about the O'Dwyer cousins Iona, Conner and Branna,

all witches determined to vanquish the evil that has lived and threatened their family for 750 years. The setting for the tale is of course the beautiful Ireland that Roberts knows so well. I first discovered her love for the country in her Irish Born Trilogy... Born in Fire, Born in Ice and Born in Shame, also worth your time if you haven't yet read them. The story begins in the winter of 1263 where we are introduced to the original Dark Witch Sorcha who tries desperately to vanquish the evil Sorcerer Cabhan who is determined to take her power. But it is left to her three children to keep the source of their family's power safe and pass it down from generation to generation until the power of three comes together again with the strength to rid the world of Cabhan once and for all. Our heroine, Iona Sheehan, has never really fit in anywhere she goes, unless she is with her grandmother. So she decides to move to Ireland in search of her cousins who can help her understand her family's history and the strange powers she seems to possess. When she arrives in beautiful Mayo County Ireland it's all she has dreamed about and more. Her cousins, Branna and Conner know as soon as they meet her, that she is the one they have been waiting for... the one who completes the power of three. As her cousins welcome her into their lives, Iona experiences the warmth and love only a family can bring which is something she has longed for all her life.
