Synopsis

The path to being a gentleman is filled with obstacles: not only does one have to look the part, but one also has to act the part as well. In todayâ ™s modern world, where common courtesies are often eschewed in favor of gruff, loutish behavior, itâ ™s more important than ever to remember the famous adage by William of Wykeham: â œManners maketh man.â • Robert Oâ ™Byrne teaches the aspiring gentleman how to handle any occasion, whether it be a social engagement or something more formal, allowing him to present a sophisticated well-behaved front to anyone he may encounter. Say, for example, you are looking for love, well once the chapter on how to treat a lady has been digested you will have potential companions swooning with your charming ways. And once youâ ™ve found a suitable partner, perhaps you dread the first meeting with her parents? Well fear not, the tips on small talk will have you asking all the right questions and have the in-laws welcoming you into the family with open arms. Or maybe youâ ™re worried about how you come across when dealing with important clients at work? Tips on emails, phone manner, leading meetings, and more will ensure you are held in the highest regard.

Customer Reviews

The Perfectly Behaved series of books are both witty and very informative with lots of humor and helpful advice for any aspiring gentleman. I recommend this to everyone.

Very good read with pointers on manners and etiquette.
