Diary Wimpy absolutely delivers once again with a picture perfect book. Great story and amazing illustrations that my nephew went bonkers over. Diary Wimpy really pulled out all the stops on this one. Although you know the character type destiny of Clucky (main character), it doesn't take any excitement away from the story. Nothing but action and adventure from the first page to the last. My nephew and I are excited to see what character will be featured next. If you're a Minecraft fan and you haven't read one of Diary Wimpy's books yet, you are missing out.

I wasn't expecting this to be from Clucky's prospective, so maybe for the next book you could write it from one prospective, then halfway through switch to the OTHER characters prospective, reenacting the same time as the last prospective, but instead of the chicken do the zombke pigmen

This book is pretty cool. It goes along with a lot of the other books. I love how they use Ember and Eli and his gang of endermen. I would totally recommend read this amazing book and the rest of the series.

plucky is no longer a plane old farm chicken not evan a chicken off a farm. He is not evan a regular chicken jocky he is a hero hero cicken jocky!!!!Ã Â® Ã Â®â | wow! great book books kid!

I enjoyed reading this book! Just like all of his other books, this was so cool. It had twists in the plot and includes characters from other books! WORTH THE TIME TAKEN TO READ IT!!!

You would never think about Minecraft characters like in this story. Amazing story writing! I'll never think about chickens, zombie pigment, the Ender Dragon, and "minecraftians" the same way!

I expected this to be from from the pigments point of view but this is the first time it was in the chickens view. It is a great book. Five stars

This book was very good it was the best out of all the books diaryWimpy wrote! I request he rights more heart felt books like this
