Je T'aimerai Toujours (French Edition)

Synopsis

A young woman holds her newborn son And looks at him lovingly. Softly she sings to him: "I'll love you forever I'll like you for always As long as I'm living My baby you'll be." So begins the story that has touched the hearts of millions of Americans. Since publication in 1986, Love You Forever has sold more than 15 million copies in paperback and the regular hardcover edition.

Customer Reviews

This book is such an enjoyable read. The first time I read it was while babysitting several young children. I did not make it to the end of the book before I started shedding a tear. It is just so touching. It is the best book in demonstrating just how important a mother's touch is and the appreciation that the son has for his mother. He in turn, does the same for her as she ages. I am 22 years old and I love the book so much that I bought it for myself. I too hope that someday it affects my children the way it affects me.

I just read my son to sleep with this book, and it's so beautiful! I only had one year of college French and I could read it, although there were a few phrases here and there that I was reading without knowing what they meant. I did get a bit choked up at the end. I especially love that the mother grows old because we don't often see older folks in such a beautiful light in our culture. I was a little afraid the book might touch on the subject of death, which is a little heavy yet, but it didn't. The

previous reviewer who thought it was creepy was probably referring to one page where the mom drives to her adult son's new home and climbs up into his window to hold him in her arms and sing to him. It was pretty clear to me that it was a tongue-in-cheek continuance of the rhythm of the book, where she holds him and sings to him each night. It's still a beautiful book, and in my opinion by no means creepy.

THE FIRST TIME I READ THIS I WAS IN A DEPARTMENT STORE WITH MY TWO CHILDREN, 9 & 10. I CRIED WHEN I READ THIS BOOK RIGHT THERE IN THE STORE. I BOUGHT IT AND READ IT AGAIN TO MY CHILDREN AT BEDTIME AND CRIED AGAIN. IT REALLY TOUCHES THE HEART OF ANYONE READING IT. IT MAKES YOU REALIZE ANEW WHAT IS REALLY IMPORTANT. LOVE. IT ALSO REMINDS YOU OF THE FACT THAT THE SEEDS YOU PLANT ARE THE ONES THAT YOU WILL HARVEST. THIS IS AN ABSOLUTELY LOVELY BOOK. IT WILL BE TREASURED IN OUR HOME FOR MANY, MANY YEARS. I ENJOY READING IT TO MYSELF JUST TO REMIND MYSELF THAT THERE ARE MORE IMPORTANT THINGS THAN MONEY, JOBS, CHORES. I WOULD LIKE TO SEE MORE BOOKS OF THIS NATURE. THANK YOU SO MUCH.

The first time I read "Love You Forever" was in the bookstore when my 8 year old granddaughter handed it to me, sat on my lap, and asked me to read it. By the time I got to the page where the son was holding his mother in his arms, I had to keep dabbing my eyes because of the tears. When I've mentioned the book to other women the reaction is always the same. It's almost impossible to make it through the book without bringing tears to your eyes. From the time she becomes a mother, the main character in this book holds her precious child on her lap and rocks him back and forth and vows to love him forever. As he grows older and eventually goes away she still continues rocking him and tells him that she'll love him forever. The day finally comes when she is old and unable to rock her son and the torch is passed to him. He holds his mother and rocks her and at this point you can only assume that she has died. With that, he returns home where he picks up his baby girl and begins the same routine. This book will surely tug at your heart. Marsha Baskey

Ce petit bonhomme que vous voyez assis dans les toilettes, entouré des mille et une bêtises qu'il a faites, ce petit bonhomme est l'enfant d'une Maman douce et aimante. Mais ses facettes ne la font pas toujours rire : "Cet enfant va me rendre FOLLE !", parfois "elle aurait voulu le vendre au ZOO !", parfois, c'est elle qui avait "l'impression d'être dans un ZOO !" ... Mais toujours, toujours,

toujours... le soir, la nuit, elle le prenait dans ses bras pour lui chanter au creux de l'oreille : "Je t'aimerai toujours, La nuit comme le jour, Et tant que je vivrai Tu seras mon bébé." C'est ce que je disais à mon fils, lorsqu'il était tout petit si je l'avais grondé. C'est ce que je lui dis encore et c'est ce que je lui dirai toujours, parce que ces quelques pages expriment avec justesse et délicatesse la force du lien qui unit parents et enfants, quoi qu'il arrive.

I love this book in English and I remember my own mother reading it to me with tears in her eyes. When I was young, I thought it was sweet, but I didn't really "get" it until I had a child of my own. I am raising my son to be bilingual and I thought this would be a great book for us to read in French. I was so right! *pat on the back* If you are at all musically-inclined (or not!), try to come up with an easy-to-remember melody for the song that repeats throughout the story. I did that and my son asks for it every night when I tuck him in. It also calms him down when he's having a rough day or when he hurts himself. I find that it also helps me to keep perspective when I'm feeling down about something that really doesn't matter in the large scheme of things. When he sits in my lap and we read this book, it brings me back down to Earth and I realize that certain things really just don't matter... I should enjoy this time with my baby and show him that he is always loved and he will always, ALWAYS be my baby.
