Financial Accounting, Binder Ready Version: Tools For Business Decision Making

Synopsis

This text is an unbound, three hole punched version. Access to WileyPLUS sold separately. Starting with the big picture of financial statements first, Paul Kimmel's Financial, 8th Edition, shows students why financial accounting is important to their everyday lives, business majors, and future careers. This best-selling financial accounting program is known for a student-friendly writing style, visual pedagogy, the most relevant and easy to understand examples, and teaching the accounting cycle through the lens of one consistent story of Sierra Corp, an outdoor adventure company.Â

Customer Reviews

This does not seem to come with an access code, so be warned. The book itself is fine, but ultimately it should be purchased on the Wiley plus website (it's about 200 dollars for the book and the access code there).

Could have bought the ebook and WileyPLUS (which I also needed) for \$157 from the Wiley site...
