after I read Who Said It: ONE DIRECTION Interactive Quiz ULTIMATE Edition (highly recommend it) I was looking for a new book. SO I got this one, and although its really great its does have some of the same information. Totes love Bieber tho so even if its just a couple of things that were new it was still worth it to know as much as possible. I'm rating it 4 stars out of 5.

Hey my name is maddie strube aka maddie beiber! I have been a belieber longer then i can remember. Justin saved me. Ive been through so much. Justin taught me to never say never ! Also to believe in myself. I would always be scared to be myself, i would cry myself to sleep because i wasnt myself justin inspired me to be myself. He is honestly the best thing that has happened to me. There is one issue tho i feel like justin doesnt notice me im also scared that i wont meet him. If i could sit down and have 10 minutes with him it would mean the world to me! I dont no were i would be if i dint believe

I love this because I love to learn new things about him.I look after him a lot.He has a lot in common with my boyfriend so I feel very happy now except the fact that I almost broke my baby sisters neck on accent. :(:(:(:(:(:(
