Customer Reviews

Just like my last one, this is by far my favorite way to plan. Very well constructed -- my last one made it through all 18 months. The paper is high quality and doesn't bleed through. I could never get into using a calendar on my phone and have found that the moleskine weekly layout makes the most sense for organizing my schedule as well as to-do's and thoughts.

I usually get the Large planner size, but I tried the Extra Large and I AM LOVING IT, very slim and light weight still

so functional. i buy this every year
