## Customer Reviews

This week's featured character is a ghast. This isn't your average everyday ghast. He is a very special ghast with a creative spark. The only problem is that he doesn't seem to have much of a creative outlet to showcase his skills in his current surroundings. Couple that with the new friend he makes and you have all the ingredients needed for a great adventure. My nephew and I highly recommend this book and we can't wait to see what character Books Kid has in store for next week.

This book so cool, and I would HIGHLY recommend this to everyone! It is about a Ghast who is a

very good interior decorator, but no one appreciates his work. I don't want to spoil it any more, JUST GET IT!!!!!! :-)

I like it and dislike it at the same time. If this was written by Cube Kid (See nether kitten) it would fit in so well. It is alright and funny. I just love it, though!
