Customer Reviews

This book is the perfect example of a quality Minecraft book. It's no wonder that this author is my nephew's favorite. He has enjoyed every book in the series and asks me on a daily basis if "Diary" has released a new book. That is a big change from the reaction I used to get when I would ask him to read whatever the newest popular kid book was. That takes some real talent to get a kid to want to read that under normal circumstances has no desire to do so. We are both looking forward to seeing more from this author.

My grandsons are getting really into Minecraft, and I like to surprise them with new Kindle books, so

I figured we'd try this one. They loved it! They thought that it was so cool to be able to read about something like that, and now they're asking for diary's from different characters!

This book is amazing! Best minecraft dog book ever. It is really cute and my mom loves it! In some sort of way it teaches a life lesson. I forgot it because I read this book a long time ago, but still, I remember how good it is. Thankfully, I have kindle unlimited so it was free. But I would have bought it any way! I have read the entire series. This was my face before reading the book. :c This was my face after I read it. :D My mind is blown away by this book. Love it! Um, if you are still reading this you know you could just leave? Fine, if you won't go then I'll just tell some jokes. Why did the chicken cross the road? To get to your house! Knock knock. Who's there? The chicken silly! Did you like it? If you did please write back in the reviews. Name the title pie please. Why, you ask? Well, I like pie. Say, I think you'll like myyyy book. It's called the marshmallow colony. See ya!

This book was yet another amazing piece of work by diary. Diary is an amazing author, he keeps me reading and is what got me back into reading. Praise for diary's amazing work. ^%o please keep writing. ^ ^ ^

A book of love and hope. I loved it. It's good for children that love's dog (and wolves)!!

Spot the wolf is a show star. But sense he was suppose to find his pack he got a new one.

well Guinness world record . what a (until the end) sad life for that wolf . I mean what wolf wants to do that its great (not) that jim likes it . But the boy is sooo nice that he will risk his life to save spot .

This was a great minecraft story about a strong wolf named Renaldo and he is treated horribly. Then he gets reunited with his family and also makes a new friend. This is a good book for kids and adults that play minecraft or who just maybe reading for fun. •o
