Key Of Valor (Key Trilogy)

Synopsis

Fate brings three women together for a chance to unlock their deepest desires in the Key Trilogy. Now, in the stunning conclusion, it's Zoe's turn. Growing up, Zoe McCourt did not have an easy life—some might call it disadvantaged. A hairstylist from a West Virginia trailer park, she ended up in beautiful Pleasant Valley, Pennsylvania, by sheer determination. How she ended up on a quest for a key to unlock the soul of a warrior demigoddess is another story. Invited to an imposing estate overlooking the town, she met Malory Price and Dana Steele. Each woman was at a crossroads in her life, each facing an uncertain future. And a mysterious couple offered them the chance of a lifetime: a million dollars each if they could free the trapped souls of three mythological sisters—an artist, a bard, and a warrior. Malory and Dana had to reach deep inside themselves to find their keys—and not without paying a price. Now, it has become Zoe's quest. As a single mother, she has more to risk, more to lose. But her courage in the face of overwhelming odds cannot be underestimated. A nurturer to her son, a defender of her friends, she must confront dark forces amassed against her to make all of their dreams come true. Don't miss the other books in the Key Trilogy. 3.5'Key of Valour' takes us to the last quest to find the third key. It's Zoe's turn and she's gonna have to find the courage to trust her heart and go for what she wants. I had an absolutely wonderful time getting to see Zoe and Brad falling in love even though Zoe did annoy me in the last chapters

because she didn't want to accept what she felt (and what Brad felt for her). I felt it took her so long to accept her feelings and it frustrated me. But I loved Brad because he had a lot of patience with her. And speaking about Brad, he was a sweetheart! My favorite parts of this book definitely include his scenes with Simon. It was a pleasure getting to see man and boy loving each other. The only issue I had with one of the scenes is that a couple of dialogues were a copy of one of Nora Roberts's books: Sea Swept. It is my favorite book from her. I've read it plenty of times so as soon as I saw the dialogues I knew where it came from. It bothered me and I wish it could've been said different. But keeping that aside, I liked there were barely sexist comments. And I liked seeing more of Flynn, Malory, Dana and Jordan, too. The climax with Kane wasn't as interesting as book 2. I was definitely expecting something bigger. But in the end, I'm just glad the villain was vanquished and Rowena and Pitte got to finally have their HEA. I even cried with that part and it was my favorite moment from the whole book. *OVERALL: The last book in the Key trilogy was an interesting and great conclusion. The series as a whole was a pleasure to read because it has the essence of Nora's oldest series. Sure, I've enjoyed her new ones but there is nothing like her old and classy.
